

Celebrating OPAL

Thank you for all your support – it has been invaluable in helping us to improve our playtimes through the OPAL project. Many of you were able to join your children on Friday to experience some of the fun! Through donations and financial contributions, the number and variety of resources available to the children is enormous.

School Council raising money to help people who are homeless

Please do help us support 'It takes a city' which is charity that it turn supports people who are homeless. Rather than bringing in any money, it would be more helpful if people could donate food items, toiletries and clothing. Please see the poster to the left for some suggestions.

Another Open Classroom on Wednesday 19th June, 8:20 – 8:40am

If you were unable to attend Open Classrooms this week, we would like to give families another opportunity to celebrate their children's work. Families can come into the classroom at 8:20am and should enter the building across the main playground (Years 2 – 6) or at the point where they normally drop their children off (Reception and Year 1).

Sports Day on Wednesday 26th June, 1:15pm

We would like to invite you to Fawcett Primary School Sports Day on Wednesday 26th June 2024. You are invited to come along and watch your child/children participate in different Athletics events including sprints, javelin, shot put, long jump and more! The events will start at 1:15pm on the school field. Gate E (the gate beside the school field) will open at 1:10pm. Further information can you found on your child's Google Classroom.

Information about classes for the new academic year

Just a reminder that it is Federation policy to mix the classes of children currently in Reception moving into Year 1, Year 2 moving into Year 3 and Year 4 moving into Year 5. Mixing classes has many benefits to supporting and developing friendships as well as preparation for secondary school. When deciding on classes many factors are carefully considered. We also ask the children which friends they would like to be with next year, we don't guarantee all friends but do our best to make sure at least one friend on their list is in their next class.

Trumpington Federation School Fete on Saturday 29th June, 11.30-2pm

The return of this popular annual event is something that we are all really looking forward to. To help make it as much of a success as possible, we are asking for the following donations:

- Cakes to be donated on Friday 28th June (to the office) or on Saturday 29th June (directly to the cake stall at the fete).
- Raffle prizes - can be donated any time before the event, to the school office.

Dates and Events
