

Sporty Fun

We're excited to share the highlights of our recent Early Years Sporty Fun Activity. After a week of rain, our little athletes shone brightly in the glorious weather, making it an unforgettable event. With enthusiastic participation, laughter, and friendly competition, the activity was a resounding success. From throwing javelins to beanbag hoop throws, ball-throwing, jumping hurdles, our students embraced each station with joy and sportsmanship. Finally, the much-anticipated running race united everyone in an exhilarating display of camaraderie. The children sprinted and raced with all their might, fuelled by sheer enthusiasm. The finish line was a sight of pure celebration, as they exchanged high-fives and radiant smiles. We are immensely proud of every participant who demonstrated great sportsmanship, determination, and a positive attitude. Each child contributed to the vibrant tapestry of our Sporty Fun Day. We extend our gratitude to the parents, teachers, and staff who made this event possible.

Year 6 Residential

It has been another fun and success Year 6 residential. The children have had a wonderful time. The rain didn't damper our spirits one bit as we went from one adventurous activity to the next. We enjoyed all our time at Bawdsey Manor, especially the canoeing and Tag Archery.

Year 6 Announcements

Please donate your purple jumper and uniform you have grown out of to the Trumpington Clothes Hub so it can be re-used. Uniforms can be donated directly to the hub or brought to school to be passed on.

Disco: The disco will be held in the Fawcett school hall where there will be a disco, hot dogs, ice creams and some sweet treats. The disco will be supervised by school staff and will start at 5.00pm and end at 6.30pm. Children can walk home on their own, but we must have a signed permission slip to confirm this. As this is a disco, we would encourage the children to dress to impress, but please make sure clothing is appropriate for a primary school disco. We know that the children will want to have photographs of the disco to remember their time at the Trumpington Federation, however we would discourage them from bringing mobile phones. If children do bring phones with them, they will be stored safely until the end of the event (like during the normal school day). Instead, we will have members of staff taking photographs which we can share with the children via google classroom and at the leaver's assembly.

Leavers' Assembly: This will be held in the main hall at 9am and is for Year 6 families only. The main gates will remain open so that people can cross the main playground to the hall. We are sad but proud to say goodbye to all our wonderful Year 6s and wish them the very best in their new secondary schools.

Thank you and Goodbye

Mrs Dalton is retiring from the Federation. It is difficult to put into words the impact that she has had on the whole community and the great extent to which her absence will be felt. We are so grateful for her guidance and leadership and the happy memories that she has given all of us. Best of luck Mrs Dalton – you will be missed!

Miss Downing will be relocating over the Summer. We wish her all the best and would like to thank her for all her work across the Federation, both as a class teacher and SENCo.

Mr Linwood joined our team in September and quickly became a valued member of our family. His humour, good cheer and wisdom will be sorely missed. Wishing you all the best!

Mrs Roberts has provided the Federation with invaluable advice and support – sharing her infinite wisdom and experience. Thank you for all that you have given us.

Nursery Stay and Play

We had parents in for a stay and play with lunch. The children were excited for their parents to come in and we told the parent's the story of The Little Red Hen. Approx. 90% of our parents attended. We had a lovely time.

This is just about the coolest thing you can do for your children.

They'll love keeping active, having fun and learning new skills with our before school, lunch time and after school clubs!

The NHS requires children to have 60 minutes of physical activity per day to stay healthy. With Premier, they can do this by taking part in a range of sport, arts and wellbeing activities!

Benefits for your child:

- Try new activities and make new friends
- Learn transferable skills for the future
- Stay focused & alert for their lessons
- Develop confidence, creativity and self-esteem

Most importantly, they'll have so much fun!

All of our Activity Professionals maintain links to local clubs and associations, giving children a route to develop and diversify their skills.

Identifying the stars of the future can enable them to get the right support and encouragement at an early age.
