

Saturday 29th June Trumpington Federation School Fete, time 11.30-2pm

We are really looking forward to this event! If you are able to support the running of a stall in any way, please contact the PTA via the link:

<https://volunteersignup.org/HJ437> or speak to a member of staff on the school gate. We are also still requiring donations for the raffle and for the cake stall. Any help that can be given will be greatly appreciated and make a huge difference.

Wednesday 26th June, 1:15pm Sports Day

We would like to invite you to Fawcett Primary School Sports Day on Wednesday 26th June 2024. You are invited to come along and watch your child/children participate in different Athletics events including sprints, javelin, shot put, long jump and more! The events will start at 1:15pm on the school field. Gate E (the gate beside the school field) will open at 1:10pm. Further information can be found on your child's Google Classroom.

School Uniform Reminder

We ask that all children wear our school uniform. A large part of this is to show that we are all one community but there is an element of safety to think about as well. The uniform policy states that children should wear black school shoes. Shoes should not be embellished in any way – particularly with studs. Please do make sure that your child/children come to school wearing the appropriate footwear.

Staff Update

Sadly, we are saying goodbye to Ms Lawson this week. She has worked at the Federation for a number of years across many different year groups. Her expertise, kindness and patience will be greatly missed. However, we wish her well in her new pursuit of a horticultural career. Good Luck!

After School Club Vacancy

We are recruiting for After School Club. If you are interested in joining our dedicated team and share our passion for children's well-being please do get in touch. Further information and how to apply can be found on our website:

Mental Health and Well-being Survey

The school is in the process of completing a 'whole school approach to mental health and well-being' audit. As part of this audit, various surveys by different stakeholders need to be completed. We really value the input and voice of families. Please could you just spend a few moments completing this parent/carer survey:

Year 2 Trip to Mountfitchet Castle

Our children from Kings and Fitzwilliam had a fantastic time visiting a Norman castle! They got to see what life was like back in the day, learning about the different jobs people had and how the castle was built to keep everyone safe. The highlight for many was discovering the (sometimes gruesome) ways they dealt with troublemakers. It was an exciting and educational trip that brought history to life for our students!

Year 1 Boat Trip

Year 1 had the best day exploring Cambridge on their boat trip. We were pleased with the beautiful weather and enjoyed playing on Jesus Green. We enthusiastically boarded the boats and happily spotted six cygnets, ducklings and a heron. We were also so excited to have seen the Goldie Boathouse on our travels which we had written about in English. Finally, we had a relaxing picnic in the shade before heading back to school.
