in Year 5

Art

We've enjoyed our Art topic on Fashion Design; blending our Roman topic knowledge with learning about contemporary fashion designers to produce our designs.

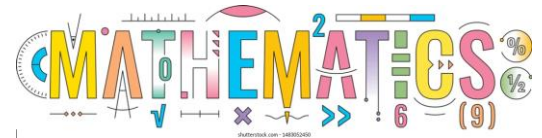

This Month's Super Learners

Churchill: Thomas, Nelli, Fairouz, Elijah, Jackson, Ben

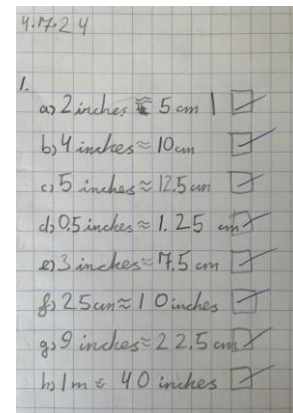

Magdalene: Leah, Sofia, Layla, Samuel, Benji

Word Millionaire: Hidaya

In Maths, we have continued our work on 'Measure'. We looked at both imperial and metric units, and converted them. We've also checked that we can tell the time on an analogue clock.

Here's Nelli's maths showing some approximate conversions for imperial/metric.

Cambridge Dive Team came to give us a land-based taster session – and introduce us to a new sport!

Highlights from 23/24!

In English, we have enjoyed looking at characterisation. We enjoyed innovating Alfred E Noyes, the Highwayman to one of favourite films at the moment, Inside Out! We immersed ourselves in the characters, and then adapted our writing.
