

Do you know a child who could benefit from a boarding school education? Help us identify pupils for our September 2025 bursary/fee assisted places.

We warmly invite current Year 5 pupils and their families who are considering secondary education in September 2025 to our [Open Morning on Saturday 7 September, book today.](#)

Christ's Hospital is unlike any other independent school in the UK; our pupils come from every possible background, which results in a social and cultural diversity that enriches our school community and offers our pupils unique opportunities as we prepare them to take their place in the modern world.

Means-tested bursaries are granted to 650 of our 900 pupils, which means they receive a **free or low-cost place**, based on their family income and circumstances.

Christ's Hospital was established over 470 years ago as a charitable boarding school and is proud to maintain its founding principles and ethos. It offers a boarding education of the strongest quality to children with academic potential, from **all backgrounds**, in a caring and supportive environment.

Our Open Morning is an opportunity for interested families and schools to visit us – everyone who visits is guaranteed a very warm welcome and is given the opportunity to tour the school plus the chance to meet staff and pupils.

If possible, we would love for you to share this open morning email with any interested families via your parent portal or newsletter.

Book now to attend our final open morning, before 2025 bursary applications close on **Friday 13 September 2024.**
