

We would like to welcome everyone back for the final term of this academic year. This last half term is action-packed and we look forward to sharing all this with you.

Year 6 Charity Morning

Due to the hard work and creativity of the Year 6 children, they raised £290.68 for Crisis, Cancer Research UK and the Year 6 Disco. The day was a wonderful success enjoyed by all ages – adults included!

OPAL update

The resources that we now have available through our OPAL project mean that our playtimes are becoming more and more exciting. Our favourite addition so far is that of the giant sandpit – it's just like being at the seaside. It is so wonderful seeing children of all ages having so much fun.

Fitzwilliam Class Young Writer's Competition

Children from Fitzwilliam Class entered the Young Writers competition and some of their entries are going to be published in a real book!!!

Wednesday 12th June, 3:15 – 4pm Open Classrooms

We are delighted to open our classrooms to all parents and families to come and see our work - particularly the progression we have made in Art and DT since January. We have improved the method of teaching to give children the opportunity to develop their skills and to experiment in our lessons. This means that some of our sketchbooks now might look a little messy, have writing in them or have practise pages over two pages. But it has given children the freedom to express themselves individually, interpret the topic in their own way, rather than following or copying pieces of work.
