

News from the Federation 17th January 2025

As week two of the new term finishes, the children are doing brilliantly with the new behaviour expectations. Well done and thank you to all children that are doing this well. We will continue this theme as we look at the expectations of the children in and around our building. The School Council have also come up with some super ideas to support this – watch this space!

Please continue to read this newsletter for information about what has been happening in school this week as well as helpful reminders.

Times Tables Rock Stars

Please look in the back of your child's reading record to see their most up to date TT rockstars heatmap. This will give you an idea of the progress that they are making with learning their times tables. The colours change from red to green the quicker the children are able to recall the facts. The children are really enjoying seeing their heatmaps change to green over time – keep practising!

Wed 26th Feb

Book Fair

Thurs 13th March, 3:30pm - 5pm

Federation STEM Event

Fri 21st March

Red Nose Day

Being Safe

As a whole community, it is vital that we support our children to be as safe as possible in all manner of ways. Online safety is becoming an increasing concern. We would strongly encourage families to support their children's online safety in the following ways:

Please monitor the content that your child is accessing online e.g. what they are watching on YouTube.

Please also be reminded of the social media age limitations. There are guidelines in place so that people know what is appropriate and what is not. Social media can be a helpful way to communicate but unfortunately there are times when it is used in an unkind and inappropriate way. If children are using any social media, this also needs to be monitored very closely.

ALL OTHER SOCIAL MEDIA PLATFORMS
HAVE A LIMIT OF 13 YEARS OLD OR OLDER.

STEM EVENT, Thursday 13th March 2025

We are hoping to hold our annual STEM event again this year. In order to run this event, we are solely reliant on volunteers from our community. If you have any background in STEM and are willing to run a stand which you decide on the activity for and provide all the resources, please contact Miss Fisher via email: kfisher@trufed.org.uk

Cambridgeshire SEND Inspection Survey

Cambridgeshire County Council has received notification from Ofsted and the Care Quality Commission (CQC) that the Cambridgeshire Local Area Partnership for SEND will be subject to inspection from now until 31st January 2025.

If you have a child with SEND and would like to have your say, please use the link below:

<https://ofsted.smartsurvey.co.uk/p/AreaSend/10352388>

The surveys will remain **open until 9am 21st January**.

Final reminders

We have our **Performance Assembly on Monday 20th January**. If you are performing, please remember your instrument and music.

Label everything! Please make sure you put your child's name in their uniform so it can be returned to them. If you need any uniform items, please use our free uniform rail that comes out on a Friday. Thank you to the Trumpington Clothes Hub for this.

Don't forget your **wellies or spare pair of shoes for breaktimes and lunchtimes**. We want to keep the school clean and tidy and free of mud.
