

We have been informed by Cambridgeshire County Council that the local authority will be having their OFSTED inspection, focused on their SEND processes and partnership, over the next two weeks. As part of this process, there is an opportunity for parents and carers of young people with SEND (and any professionals who work supporting pupils with SEND) to express their views on SEND in Cambridgeshire via the OFSTED survey – the link for this can be found here: <https://ofsted.smartsurvey.co.uk/p/AreaSend/10352388>

Support for pupils with SEND is one of the priorities on our Federation Improvement Plan and we will be continuing with this work over the coming year, more details of which will be shared in future newsletters. Please do get in contact with Mrs Jones (SENCo) if you have any concerns related to your child's SEND.

Times Tables

For parents in KS2, do look in the back of your child's reading record to see their most up to date TT Rockstars heatmap. This will give you an idea of the progress that they are making with learning their times tables. The colours change from red to green the quicker the children are able to recall the facts. All children have an account they can use at home and can try and beat their personal high score!

Reception Maths Café

Reception parents are invited to come into the classroom on the 5th February between 8.55 and 9.30 for the Reception Maths Café. It will be an opportunity for you to hear about how Maths is taught in Reception and join your children in completing some different Maths activities.

STEM EVENT – Thursday 13th March

We are hoping to hold our annual STEM event again this year. In order to run this event, we are solely reliant on volunteers from our community. If you have any background in STEM and are willing to run a stand which you decide on the activity for and provide all the resources, please contact Miss Fisher via email: kfisher@trufed.org.uk

OPAL

As it is currently very muddy, please can we encourage all children to have a pair of wellies or outdoor shoes in school so these can be used during playtimes. Many thanks.
