OPAL Platinum Award!

We are pleased to announce that the school had our final OPAL audit last week and has been awarded OPAL Platinum award. This puts us in the top 1% of UK primary schools for the quality of play offered during break and lunch times. We have worked hard over the last 2 years to improve play opportunities for our children - we now have so many different activities for them to choose from - water, mud, building, creative areas just to name a few. Keep an eye out for our Platinum Plaque coming soon.
