

in Year 1

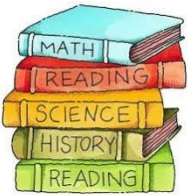

We have continued learning about our bodies and have focused on the five senses. We carried out a smell test, went for a walk around school to see what sounds we could hear, talked about our favourite tastes and described what different objects in the classroom look and feel like.

This Month's Super Learners

Progress: Lexi, Joycen, Sienna, Hope and Maryam.

Achievement: Orlando, Ebony, Riccardo, Bear and Adam.

Reader of the month: Kim

In History, we have been learning about Katherine Johnson and Amelia Earhart.

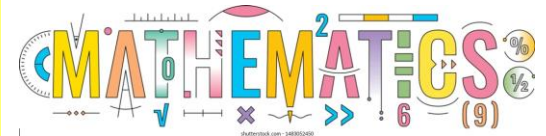

In Art, we have practised drawing different types of lines in our sketchbooks. We have also been doing continuous line drawings of objects in the classroom.

In Religious Education, we have started learning about what Christianity is.

In our Reading lessons, we have read *The Leaf Thief*, *Moonshot* and *The Friendship Bench*.

In English, we have been reading the story of *The Little Red Hen*. We enjoyed performing the story with actions and writing sentences about parts of the story. We created a class version of the story about a little grey rabbit who found some seeds, grew wheat and made a cake. We then wrote our own versions of the story by changing the characters, setting and what the main character was growing and making.

In Phonics, we have learnt the sounds ee, or, zz, wh, ea (as in eat), ea (as in head), ng and nk.

In Maths, we have been focusing on addition and subtraction. We have been using manipulatives such as Numicon, counters, tens frames, part-whole models and number lines to help us.

We have also been learning about 2-D and 3-D shapes and making repeating patterns using shapes.

Finally, we have started to learn about multiplication by learning to count in 2s, 5s and 10s and adding equal groups.
