

in Year 5

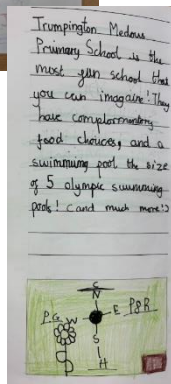

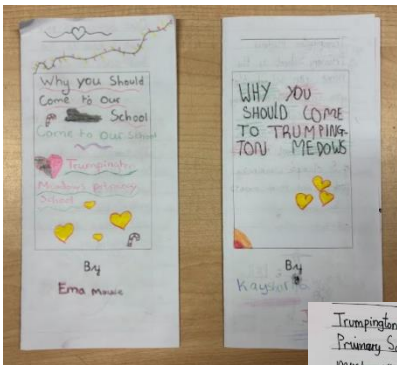

Well done everyone for a fantastic first term in Year 5. You are super role models in our school and we are very proud of all of your hard work. We wish you and your family a restful Christmas break and a Happy New Year, and we look forward to welcoming you all back to school on Tuesday 7th January 2025!

Year 5 Team

Writing

This month, we have continued our work on **persuasive writing**. We have worked hard to include all of the features of our toolkit to persuade perspective pupils to join our school!

Reading

We are still really enjoying our new reading curriculum. This month, we have focused on extracts of *Street Child* and *A Christmas Carol*.

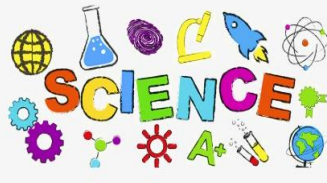

This Month's Super Learners

Well done to the children who have received certificates this month.

Achievement: Frankie, Lilia

Progress: Lucas, Vanessa

Reader of the Month: Lincoln

In Science this month, we have finalised our learning on **materials and their properties**. We are so excited to start our work on **space** after the break!

Look at our wonderful Space-themed reading corner with Art created by the children!

In Maths this month, we returned to **multiplication and division**. We have introduced short and long multiplication, and enjoyed multiplying up to four digits by two-digits e.g. 5478×57 . It has been great to apply all of our Times Table Rock Stars practice! Keep it up over the break!
